

What's New

May 30, 2017

IS YOUR CERTIFICATION OR LICENSE ABOUT TO EXPIRE? If your credential expires on June 30, 2017, you should have already received a postcard notice reminding you of the pending renewal deadline. You can download the Renewal Affidavit from the FORMS link under the Certification and Licensure tab on the front page or from the direct link provided in the blue box on the home page.

IF YOU FAIL TO RENEW BY JUNE 30TH, YOUR CERTIFICATION OR LICENSE EXPIRES AND YOU MAY NOT USE YOUR CREDENTIAL TITLE. CLINICAL LICENSEES MAY NOT PROVIDE CLINICAL SOCIAL WORK SERVICES UNTIL YOU APPLY FOR AND RECEIVE YOUR RENEWED/REINSTATED CREDENTIAL.

Do not wait till the last minute. Download the Renewal Affidavit now!

NEW WEBSITE COMING: The Board's website is being revised and visitors to the website can expect to see a revamped, more user-friendly website in the not-too-distant future. The new site design will include online submission for many activities, including certification and licensure renewal. While this is not an option this year, we are hopeful to have online renewal and many other features in place by the end of the 2017 calendar year.

2016 CE AUDIT:

The Board annual audit of CE activity of the 2016 Renewals has been completed by ASWB, and selected individuals should have already received notification from ASWB about the outcome of their review. All non-compliant audit outcomes and those determined to be not fully compliant are in the process of being reviewed by the Executive Director. Individuals will be notified independently if additional action is required. This is a very busy time of year as we receive in the 2017 Renewals, so please be patient as we complete the 2016 audit process. For question, please contact the Board office.
