Clinical licensure is a license to practice, and is mandatory for those who practice clinical social work in North Carolina. All certification levels are voluntary, but highly valued as a statement of professional responsibility and accountability to upholding established standards.

Certification/Licensure is a significant professional milestone that benefits those we serve and our profession as a whole. We wish you well with this effort and with your other professional endeavors.

Pursuant to N.C. Gen. Stat. §93B-15.1, military-trained applicants or military spouse applicants shall not be charged an initial application fee for a license, certification, registration, or temporary practice permit. If you are applying under these terms, please include a copy of your military/military dependent ID, leave and earning statement or DD2-14, and marriage certificate for military spouse applicants and/or divorce decree (if applicable).

Sincerely,

The North Carolina Social Work Certification and Licensure Board

Individuals who apply for more than one level of certification/licensure must check the appropriate box(es) and forward an additional application fee for each credentialing level ($115 per level). **Professional reference forms must be dated within a year from receipt of the application by the Board office.** Applications for certification/licensure are valid for two years from the date of initial receipt.

Industrial Commission, Employee Classification Section is required for **ALL** applicants and applications shall not be considered without receipt of the signed statement.

The North Carolina General Statute 9OB-11(a) provides that the Board may, in accordance with the provisions of Chapter 150B of the General Statutes, deny, suspend, or revoke an application, certificate, or license on any of the following grounds:

1) Conviction of a misdemeanor or the entering of a plea of guilty or nolo contendere to a misdemeanor under this Chapter.
2) Conviction of a felony or entering of a plea of guilty or nolo contendere to a felony under the laws of the United States or any state of the United States.
3) Gross unprofessional conduct, dishonest practice, or incompetence in the practice of social work.
4) Procuring or attempting to procure a certificate or license by fraud, deceit, or misrepresentation.
5) Any fraudulent or dishonest conduct in social work.
6) Inability of the person to perform the functions for which he or she is certified or licensed, or substantial impairment of abilities by reason of physical or mental disability.
7) Violations of any of the provisions of this Chapter or rules of the Board.

The Board asks questions about an applicant's criminal, disciplinary and employment history to assist the Board in determining if the application should be granted, or if there is a valid basis for denying an application. In addition to
the questions on the applications, the Board may conduct a formal criminal or disciplinary history check. Answering “yes” to any of these questions or having a conviction, disciplinary or adverse employment action is not automatically a basis for denial of licensure.

When an applicant has a criminal conviction, the Board will consider:

(1) The level and seriousness of the crime;
(2) The date of the crime;
(3) The age of the person at the time of the crime;
(4) The circumstances surrounding the commission of the crime, if known;
(5) The nexus between the criminal conduct and the prospective duties of the applicant as a licensee;
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the applicant since the date the crime was committed;
(6a) The completion of, or active participation in, rehabilitative drug or alcohol treatment;
(6b) A Certificate of Relief granted pursuant to North Carolina Gen. Stat. § 15A-173.2;
(7) The subsequent commission of a crime by the applicant; and
(8) Any affidavits or other written documents, including character references.

The Board may consider any similar aggravating or mitigating circumstances with respect to the applicant’s disciplinary and employment history. If Board staff is unable to approve an application, the applicant has the right to request to have that application heard by the members of the Board. Any such request must be submitted in writing to the Board’s Executive Director. The Board will conduct that hearing pursuant to the North Carolina Administrative Procedure Act and the Board’s own hearing rules. As a result of the evidence presented at that hearing and considering the considerations outlined above, the Board may refuse to grant a license if it finds any of the grounds for doing so under North Carolina Gen. Stat. § 90B-11.

If the applicant is aggrieved by the Board’s final decision, the applicant may seek review of the decision by filing a petition for judicial review in the Superior Court. The procedures for seeking judicial review can be found in Article 4 of the Administrative Procedure Act, North Carolina Gen. Stat. § 150B-43 et seq. There are specific timelines and procedures for these proceedings, and failure to follow them may lead to the Superior Court dismissing or denying a petition. Therefore, close and prompt attention to the Administrative Procedure Act is required.
